WORK EXPERIENCE

MINDBODY, INC.

Software Test Technician | *May 2016 – September 2016*

Quality Assurance, Level II | *October 2016 – Present*

Collaborating with team members across business, development, and quality assurance disciplines, plans out, creates, updates, and executes test plans and test cases, in accordance with business requirements, and company quality standards. Approaches work with strong technical and development mindset, as well as strong working knowledge of MINDBODY Core software functionality, in order to effectively and efficiently troubleshoot and communicate issues to developers and team. Cooperatively coordinates and communicates for releases.

SANTA CRUZ BIOTECHNOLOGY (SCBT)

Web Data Analyst | *February 2015 – April 2016*

Populated, quality checked, and transferred web content between websites. Organized, modified, and created database structures, tables, and layouts in FileMaker Pro Advanced from scratch and as additions or modifications to existing files. Interfaced with the graphics department, management, and sales representatives to update web content and fix errors. Read and extracted information from PHP. Created website mark-ups and mock-ups in Photoshop.

YAMATO RESTAURANT

Hostess | *July 2014 – August 2014*

Seated customers fairly for servers, take and package to-go orders, clean, open, close.

NATIVE FOODS

Front of House | *June 2013 – November 2013*

Experience as Ringer, taking orders and suggestive selling, and Runner, delivering food and cleaning tables.

SOCIAL SCIENCES COMPUTING, UCLA

Student Programmer | *June 2013 - September 2013*

Worked on adding features and fixing bugs on <https://ccle.ucla.edu/>, a website for classes at UCLA used by instructors and students.

UCLA MARINA AQUATIC CENTER

Dockmaster | *August 2012 - September 2012*

Acquainted renters with the facility and assisted them with setting up and using the equipment. Also supervised renters who were out on the water.

Youth Instructor | *June 2012 - August 2012*

Supervised and taught children from elementary to high school age how to sail, windsurf, kayak, and paddleboard.
