WORK EXPERIENCE

MINDBODY, INC.

Quality Assurance Engineer, Level II | March 2019 – Present

- Released development work on multiple bug fixes and feature work in react, ASP, and C#

Quality Assurance Engineer, Level I | January 2018 – March 2019

- Contributed to code implementation design reviews
- Regularly reviewed PRs
- Implemented contract and behavioral automated tests in C# and react, in accordance with the Payments Teams' testing framework

Quality Assurance, Level II | October 2016 – December 2017

- Collaborated with team members across business, development, quality assurance, and UX disciplines
- Approached work with more extensive knowledge of MINDBODY core software functionality
- Cooperatively coordinated and communicated for releases

Software Test Technician | May 2016 – September 2016

- Planned out, created, updated, and executed test plans and test cases, in accordance with business requirements and company quality standards
- Approached work with strong technical and development mindset, in order to effectively and efficiently troubleshoot and communicate issues to the team

SANTA CRUZ BIOTECHNOLOGY (SCBT)

Web Data Analyst | February 2015 – April 2016

Populated, quality checked, and transferred web content between websites. Organized, modified, and created database structures, tables, and layouts in FileMaker Pro Advanced from scratch and as additions or modifications to existing files. Interfaced with the graphics department, management, and sales representatives to update web content and fix errors. Read and extracted information from PHP. Created website mark-ups and mock-ups in Photoshop.

YAMATO RESTAURANT

Hostess | July 2014 – August 2014

Seated customers fairly for servers, received and packaged to-go orders, and cleaned, opened, and closed the restaurant.

NATIVE FOODS

Front of House | June 2013 – November 2013

Experience as Ringer, taking orders and suggestive selling, and Runner, delivering food and cleaning tables.

SOCIAL SCIENCES COMPUTING, UCLA

Student Programmer | June 2013 - September 2013

Worked on adding features and fixing bugs on <https://ccle.ucla.edu/>, a website for classes at UCLA used by instructors and students.

UCLA MARINA AQUATIC CENTER

Dockmaster | August 2012 - September 2012

Acquainted renters with the facility, assisted them with setting up and using the equipment, and supervised those out on the water.

Youth Instructor | June 2012 - August 2012

Supervised and taught children from elementary to high school age how to sail, windsurf, kayak, and paddleboard.
