WORK EXPERIENCE

SANTA CRUZ BIOTECHNOLOGY (SCBT)
Web Data Analyst   *February 2015 – Present*

- Populate, quality check, and transfer web content between websites. Organize, modify, and create database structures, tables, and layouts in FileMaker Pro Advanced from scratch and as additions or modifications to existing files. Interface with the graphics department, management, and sales representatives to update web content and fix errors. Read and extract information from PHP. Created website mark-ups and mock-ups in Photoshop.

YAMATO RESTAURANT
Hostess   *July 2014 – August 2014*

- Seat customers fairly for servers, take and package to-go orders, and clean, open, and close restaurant.

NATIVE FOODS
Front of House   *June 2013 – November 2013*

- Experience as a Ringer, taking orders and suggestive selling, and a Runner, delivering food and cleaning tables.

SOCIAL SCIENCES COMPUTING, UCLA
Student Programmer   *June 2013 - September 2013*

- Worked on adding features and fixing bugs on https://ccle.ucla.edu/, a website for classes at UCLA used by instructors and students.

UCLA MARINA AQUATIC CENTER
Dockmaster   *August 2012 - September 2012*

- Acquainted renters with the facility and assisted them with setting up and using the equipment. Also supervised renters who were out on the water.

Youth Instructor   *June 2012 - August 2012*

- Supervised and taught children from elementary to high school age how to sail, windsurf, kayak, and paddleboard.
