WORK EXPERIENCE

MINDBODY, INC.
Quality Assurance Engineer, Level II | *March 2019 – Present*
Quality Assurance Engineer, Level I | *January 2018 – March 2019*
Quality Assurance, Level II | *October 2016 – December 2017*
Software Test Technician | *May 2016 – September 2016*
  Collaborating with team members across business, development, quality assurance, and UX disciplines, plans out, creates, updates, and executes test plans and test cases, in accordance with business requirements, and company quality standards. Contributes to code implementation design reviews, PR reviews, and has released development work on multiple bug fixes and feature work. Approaches work with strong technical and development mindset, as well as strong working knowledge of MINDBODY Core software functionality, in order to effectively and efficiently troubleshoot and communicate issues to the team. Cooperatively coordinates and communicates for releases.

  MINDBODY codebases/applications I'm most familiar with: Mindbody.Web.Clients, react, Mindbody.Payments.CardPresent

SANTA CRUZ BIOTECHNOLOGY (SCBT)
Web Data Analyst | *February 2015 – April 2016*
  Populated, quality checked, and transferred web content between websites. Organized, modified, and created database structures, tables, and layouts in FileMaker Pro Advanced from scratch and as additions or modifications to existing files. Interfaced with the graphics department, management, and sales representatives to update web content and fix errors. Read and extracted information from PHP. Created website mark-ups and mock-ups in Photoshop.

YAMATO RESTAURANT
Hostess | *July 2014 – August 2014*
  Seated customers fairly for servers, take and package to-go orders, clean, open, close.

NATIVE FOODS
Front of House | *June 2013 – November 2013*
  Experience as Ringer, taking orders and suggestive selling, and Runner, delivering food and cleaning tables.

SOCIAL SCIENCES COMPUTING, UCLA
Student Programmer | *June 2013 - September 2013*
  Worked on adding features and fixing bugs on https://ccle.ucla.edu/, a website for classes at UCLA used by instructors and students.

UCLA MARINA AQUATIC CENTER
Dockmaster | *August 2012 - September 2012*
  Acquainted renters with the facility and assisted them with setting up and using the equipment. Also supervised renters who were out on the water.
Youth Instructor | *June 2012 - August 2012*
  Supervised and taught children from elementary to high school age how to sail, windsurf, kayak, and paddleboard.
